

About Josiah and Anne Jisca:

Josiah grew up in a Christian home, and felt called to missions at a young age. His desire to pursue God led him to study God's Word thoroughly from a young age, and seek deep mentoring relationships to help him grow in his faith.

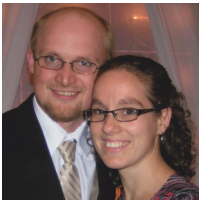

Anne Jisca also grew up in a Christian home. Her parents were missionaries in Africa for two years when she was young, and in full-time pastoral ministry afterwards. She grew up exposed to missions and felt called to ministry as a teenager. Her mission trip overseas at age 19 solidified that calling.

We met at Bible college and married after graduating with our Christian Ministry Diplomas. Josiah went on to finish a Master's Degree in Theology, while being heavily involved in our local church. During those years, it became evident that God had gifted Josiah with the gift of teaching. We were thrilled when we found out we could combine this gifting with our call to missions.

God has called us to Malawi, Africa! Josiah will be teaching in the Evangelical Bible College of Malawi, where he will teach, mentor and disciple students to empower them to lead local churches.

We are thrilled with this opportunity!
